MARCH 2011

From the President's Keyboard

Harry C. Silvis '65
FMSA PRESIDENT

WE ARE APPROACHING 4 MONTHS TO THE 2011 REUNION "Knights of the Renaissance",

Zora Mae and I hope you had as good a holiday season as we did. While it was hard for us after the loss of Kevin, we continue to move on. Atlanta saw the 4th coldest winter in history and a snow/ice storm that lasted a week. We stayed at home and enjoyed the warmth of our up-dated furnace system and insulation up-grades. The destruction to the roads in Atlanta by the plowing will take us several years to make all the repairs.

Lee Hansen from 1964 has stepped forward to assume the continuing project of locating the missing cadets. After spending a whole day transferring files and addresses from AT&T to COMCAST I waited, and waited for AT&T to close down my email address. Finally, I received a letter from AT&T telling me that they were giving me the email address and storage space FREE forever! Sooo either email address:

kennesawgraphics@bellsouth.net
or **kennesawgraphics@comcast.net**

will get to me. I have two computers down in the "Men's Dungeon", each having a different email address

For some reason, there seems to be some confusion and misinformation circulating out there about the reunion. As reported in earlier Newsletters, we are at this time publishing a newsletter every 3 months up to the 2011 Reunion, then we will probably move to a 4 month cycle as there is not much news coming in from the Cadet Corps! The name picked for the reunion at the October Annual meeting is "Knights of the Renaissance", which just happens to be the subject of my senior English Thesis (BC Before Computers). It was also the theme of the 1965 annual.

We still need help with the reunion so look for those opportunities elsewhere in the newsletter. We need sponsors for several of the events. The largest change we made to the reunion format at the Annual Meeting in October was we added the box lunch on Saturday and at the same time removed the money for the DJ from the budget. Thornton Ridinger then made a pledge of \$100 for the DJ and has challenged other cadets to help pay for the remaining \$500 (total cost approximately \$600) for

this event. We have not scheduled anything for Thursday like we did in 2009, as the 50th anniversaries of the remaining classes are still too far off. That does not mean you can not come early to relax and visit with other FMSA members. If we put our heads together we can find something to do together! Bivwac anyone ???

REMEMBER it takes **two** things to register for the 2011 reunion, **BOOK** your room @ the Holiday Inn in Daytona Beach (386-258-6333 Theresa Graves & mention it is for FMSA) and **register with FMSA** with Sue Elliott!

I have been working to find us some unique one of a kind items to auction off. I have found a few and will be ordering them soon. Also, a few items from the past have turned up from time to time on the internet.

This year I will be bringing some bird houses made from weathered fence pickets and metal license plate roofs. These are usable as well as being decorative. I had a couple made several years ago and John Kendrick & I have had them on display in our homes since then. These have a more weathered look and will help me get rid of the license plates that were made in 1999. Yes there will be other license plate roofs and you can bring your own plates too!

AFTER reading the whole newsletter, if you have any questions please call me at 678 622-6248 or email me at one of my addresses. You can also call Sue Elliott with your questions at 386-749-4031. We will be happy to answer your questions.

In these hard economic times our organization remains in a strong financial position as you will see in the Treasurer's Report in this newsletter.

At the Annual meeting, I appointed Thornton Ridinger 59' to head the committee to nominate the slate of Officers & Directors, to run the organization, as we prepare for the next reunion in 2013. Our by-laws stipulate that the Officers and Board will serve from Reunion to Reunion and his report will be given at the Reunion this year.

We continue to receive a half dozen or so newsletters back from each mailing marked as *undeliverable*. Please make sure that we have your address after you move, as the post office does not always handle your address change very well. *We do not want to again post you as missing!*

P.S. STILL A FEW **FMS THE HISTORY** BOOKS AVAILABLE, CONTACT SUE ELLIOTT TO PURCHASE THEM.

FMSA ELECTIONS 2011

HELP WANTED OPPORTUNITIES

Will YOU volunteer?

In these trying times, that is a sign that gets attention more than ever. And we are hoping that it will get yours. Seriously, we do need help. This reunion can not be a "two man" job. Yes, we have done it several times and it does get easier each time but we still need others to assist.

There are so many areas that we can use your assistance. Some people have stepped forward already to volunteer but there are still jobs that need you.

- **Registration** – short shifts, could be combined with hospitality. **We have a coordinator**, but **need people** to work the shifts with her.
- **Greeters** - **Jim Turner** will coordinate this group who will act as our official greeters . Volunteers needed to assist him on Friday and Saturday morning.
- **Raffle** – selling tickets, conducting, etc. **Trudy Bulat** has volunteered to be coordinator. This lady with her "Purple Pumpkin" was hard to say "No" to at our last gathering. She has several fund raising activities planned and would gladly accept help.
- **Duck Race** – selling tickets, assisting with the race. This year it will be bigger and better and remember The prize is **CASH \$\$\$**. There will be a new twist to the race this year too with more chances to win. **Help needed** to pull it all off. A **coordinator** is also needed.
- **Ghost Tour** – Harry Silvis has prepared our Ghost Tour posters, but we can use help in the set up, etc. This is not an overly taxing job but a satisfying one as many enjoy their walk down Memory Lane.
- **Hospitality** - **shifts** maintaining the room. We do need a **coordinator** to oversee the operation of this room. And we also need **hosts and hostesses** to man a shift or two during the weekend. (**NOTE:** any **class group** that would like to **sponsor** any hospitality event would be welcome.) We will keep the room open later this time.
- **Memorial Service** –We need a **new coordinator** for this event. He will need help with the set up, and people to participate in the service, or to give out the programs, etc.

- **Ladies Coffee Hour** – Judy Dubberly, wife of Bill Dubberly, ('60) has graciously volunteered to coordinate this event. Other hostesses to assist would be welcome. (NOTE: a **class group** might want to sponsor this event. provide coffee, and get doughnuts or cookies donated, etc)
- **Games Coordinator** – to organize several new games and competitions we have planned for Sat. afternoon. Possibly several people so each could set up one game.
- **Goodie Bags** – someone to gather items and prepare the bags. The gathering should be done prior to the reunion and perhaps some local cadets could handle the preparation of the bags with us at the HIE on Thursday evening.
- **Auctioneer** – Lee Hansen did such an outstanding job that we have enlisted him again for our Auction Sat. night.
- **Auction** – Prior to the reunion, we **need a Coordinator**, and possibly **assistants**, to gather or solicit items for the auction. The possibilities are endless...single items, perhaps a weekend in someone's timeshare or beach house; items from businesses, etc. The auction can only be fun and productive if we have good things to auction. **THIS is our BIG fundraiser** so we need some great stuff.

FMSA operates entirely by donations and monies we can raise with various fundraising activities, such as the Raffle, Duck Race and Auction. Without those activities we would have ended our last reunions well in the red. But thanks to you all, we had enough money to keep the association operating for these past few years and allow us to continue publishing the newsletters. The reunion itself is not a money making event

After much discussion, it has been decided that another sword will be made available as a Raffle item. So for those of you that missed out last time, you now will have another opportunity to possess your very own sword.

Several events at the previous reunions were sponsored by individuals or class groups. The **D.J.**, the **cocktail hour**, the **coffee hour** and the **videotaping** of the weekend were some of the events sponsored by cadets. This time we would welcome **sponsors for the Hospitality Room**, and the **Ladies Coffee Hour**. Thanks to Thornton Ridinger, we may be able to use a **DJ** for our Saturday night music. Anyone taking Thornton's challenge to assist with the rest of the funding? We had to cut this from the budget to keep our registration affordable for all. It has always been our goal to make the reunions self-sustaining and if possible, have a bit left over money-wise to keep the association afloat until the next gathering.

It seems we are always asking for help but we are totally a non-profit organization and have been kept afloat only by your generous support.

A Message from the Editor-

I am sure you have all heard the old saying, “**Many hands make light work**”, and it is so true. As the years pass, we are all getting older and things are not as easy to do as they might once have been. Although reunion organization is not new to us, it still involves a tremendous amount of time and effort. If each cadet would do just a “little bit” then the whole job would be so much easier for everyone. Volunteering to make phone calls or contacting other cadets is one simple task that you can do from home. Gathering up items for the auction can also be done from home during the coming months.

Can't you find some item to add to our goodie bag? Everyone likes to get something in their bag and this is a great place to promote your business or favorite charity, etc. And many hands working to assemble the bags make the job go quickly. And this can be done either Thursday evening or Friday morning on site.

How about volunteering to do a shift as a hospitality room host or hostess? We don't expect you to stay there for hours, but an hour here and there makes others feel welcome and also keeps things neat and supplied for the enjoyment of all.

Or maybe you are a more interested in doing things outdoors...so the duck race and games activities could use your help. David Tooker set the bar at 2006 reunion but surely someone would like to raise it. This is an area that can be a lot of fun.

A somewhat solitary job would be setting up the Ghost Tour. We have the posters and the booklets, but they do need to be set up on site.

Now, we also need SPONSORS for the various events. This is an opportunity for a class group or just a group of cadets to come together and underwrite the costs of an event.

So, I guess what I am trying to say is we have a job or a place for every talent....all we need is for you to step up and fill the shoes. If we all pitch in, everyone will have the time (and energy) to enjoy all the reunion activities.

Won't you do your part? Contact Harry or Sue today!

Oh, by the way...I need your news. I can only print what I know about so send me your news.

Don't forget to send in your reservations today, too.

See you all in July!!
